Salt In the Snow

The Classic Crime

Give me wings, give me peace
These are the things that I need
I'm tormented, broken and chained
Are You listening? Are You listening?And give me shelter from the storm
I know it's a lot to ask for considering how recent
I've piled the dirt on Your name
Are You listening? Are You listening?
Are You listening?I have heard that winter's cold
Will give way to summer's warmth
Oh no, like salt in the snow
I'm melted and left all alone
On the side of the roadIs this where I am for Your sake?
Stuck between sleep and awake?
My mind is dreaming of things
Are You listening? Are You listening?I took You for granted again
And drew You aside and pretended
For one minute that I had control of my life
And direction it seemed to be in
I was wrong again, I was wrong again
Are You listening?I have heard that winter's cold
Will give way to summer's warmth
Oh no, like salt in the snow
I'm melted and left all alone
On the side of the roadAnd I will wait for You to come again
And I can't pretend like I'm confident
And I can't pretend like it makes much sense
When it doesn'tI have heard that winter's cold
Will give way to summer's warmth
Oh no, like salt in the snow
I'm melted and left all alone
On the side of the roadOn the side of the road
On the side of the road
On the side of the road
On the side of the roadI have heard that winter's cold
Will give way to summer's warmth
Oh no, like salt in the snow
I'm melted and left all alone
On the side of the roadI have heard that winter's cold
Will give way to summer's warmth

Oh no, like salt in the snow
I'm melted and left all alone
On the side of the road
