Bow Wow

[JD]

Yo, you ever be out
And see somebody that you want right den n there,
You don't even feel like talking,
You just wanna walk right up to em and be like[Chorus: Bow Wow (Da Brat)]
Hey shorty, what I gotta do?
(Say what?)
To get one night with you
(One night)
I ain't trying to play no game
(Is that right?)
I'm just trying do to the damn thing
(Hey boy first lemme say)
What up
(If I ever let you play)
(Never would leave you on this thing)
Why
(Cause I know for doing my damn thing)
No gas liquid in this young fly Mr.
I could turn a Honda to 7-45 whippa
Shorty if I ride wit ya that would be a nice picture
If somebody say cheese they takin' bout me
Like hey
Na holla back though I gotta lot of that
I could have you in some true religions Louis dis Gucci that
Shake what she gave ya
Your momma would be proud of that
Once I get you back someYe ain't goin' know how to act
You on fire
Oh I think I
Oh I think I like ya
Boy I think I
Boy I think I might just
Let you hold the Lambo let you ride the Coup
Spend rubber band banks girl tell, me tell me[Chorus]I see you running round wit these regular cats
I was just thinking to myself you can do better than that
I'm so ahead of the pack
Be no mo peddles relax
An Mybaq' that how you say it but you spend the baq'

Like hey shawty what I gotta say
Where I gotta take ya, what I gotta pay
Even if its for a night or if its only for a day
I promise I Bow wont bite, Bow will behave
Even though you on fire
Oh I think I, oh I think I like you
Boy I think I, boy I think I might just
Let ya hold the Lambo, let ya ride the Coup
Spend rubber-band banks
Girl tell me, tell me[Chorus]
