

# Daddy's Little Girl

Frankie J

He drops his suitcase by the door  
She knows her daddy won't be back anymore  
She drags her feet across the floor  
Trying to hold back time, to keep him holding on  
And she says...

Daddy, daddy, don't leave  
I'll do anything to keep you right here with me  
Can't you see how much I need you?  
Daddy, daddy, don't leave  
Mommy is saying things she don't mean  
She don't know what she's talking about, somebody hear me out

[Chorus]  
Father, listen, tell him that he's got a home and he don't have to go  
Father, save him, I would do anything in return  
I'll clean my room, try hard in school  
I'll be good, I promise you  
Father, Father, I pray to you

Now she hasn't slept in weeks  
She don't want to close her eyes 'cause she's scared that he'll leave  
They've tried just about everything  
But it's getting harder now for him to breathe  
And she says

Daddy, daddy, don't leave  
I'll do anything to keep you right here with me  
Can't you see how much I need you?  
Daddy, daddy, don't leave  
The doctors are saying things they don't mean  
They don't know what they're talking about, somebody hear me out

[Chorus]  
Please don't let him go  
I'm begging you so  
Let him open his eyes, need a lil' more time  
To tell him that I love him more than anything in the world

It's daddy's lil' girl

[Chorus]

She was daddy's lil' girl
