

You Don't Look The Same

Jet

Speak so that she could understand
You're taking too long, Dad
Weep 'cause she needs to see you can
Before you fell you ran
All I hear is the same excuses
All you do is complain
She she's like a cancer on my brain
A fever with no name
Nobody's going to explain
Thoughts that you contained
All I hear is the same excuses
All you do is complain
But you don't look the same
'Cause you don't seem the same
'Cause you don't, don't see what's going on
And I don't know what you can lose
The rest of us we have to choose
But you don't look the same
'Cause you don't seem the same
'Cause in my dreams you fall apart
Whoo, come on, tell me who are you
The past is over due
All I hear is the same excuses
All you do is complain
But you don't look the same
'Cause you don't seem the same
'Cause you don't don't see what's going on
