Childlike

Rogue Traders

It seems you make me feel quite childlike
You bring out something that seemed long gone
'Cause every time that you're around
I forget to come back down
It's like I've never seen this before
It's like a wave that's rushing to shore
And every time that you're around
I forget to come back down
I can't speak, stars at my feet
This feeling's taking me over
Open sky, you and I
This feeling's taken me
Could you be something I imagined
My definition of perfection
'Cause every time that you're around
I forget to come back down
I can't speak, stars at my feet
This feeling's taking me over
Open sky, you and I
This feeling's taken me
I can't speak, stars at my feet
This feeling's taking me over
Open sky, you and I
This feeling's taken me
Every time that you're around
I forget to come back down
Every time that you're around
I forget to come back down
This feeling
I can't speak, stars at my feet
This feeling's taking me over
Open sky, you and I
This feeling's taken me
This feeling's taking me
This feeling's
You make me feel
Childlike
