Ashes Of The Innocent

[Bullet For My Valentine](#)

Ashes of the innocent
The end for you and me
Darkened screams of agony
Are begging, "Set me free!"
Mourning all your loved ones
As their bodies turn to stone
Violence, hate and agony
Are what we've grown to know
Hold me, show me
Bring me to my knees
So as the fire burns and the tables turn
We'll never rest in peace, rest in peace
Ashes of the innocent
Remind me of the past
Taking scars of victory
The time has passed too fast
Singing broken melodies
Like shards of broken glass
Ripping through my reverie
These scars will never last
Hold me, show me
Bring me to my knees
So as the fire burns and the tables turn
We never rest in peace, rest in peace
Hold me, show me
Bring me to my knees
So as the fire burns and the tables turn
We never rest in peace, rest in peace
Ashes of the innocent
The end for you and me
Darkened screams of agony
Are begging, "Set me free!"
Hold me, show me
Bring me to my knees
So as the fire burns and the tables turn
We never rest in peace, rest in peace
Hold me, show me
Bring me to my knees
So as the fire burns and the tables turn

We never rest in peace, rest in peace
