

Corner Of The Sky

[Diana Ross](#)

Everything has its season, everything has its time
Show me a reason and I'll soon show you a rhyme
Cat's been on the window sill, children fit in the snow
Why do I feel I don't fit in any place I go?
Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky
Every man has his day dreams, every man has his goal
People like the way dreams have of sticking to the soul
Thunder clouds have their lightning, nightingales have their song
And so you see I want my life to be something more than long
Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free

Gotta find my corner of the sky
So many men are destined to settle for something small
But I won't rest until I know I have it all
So don't ask where I'm going, but listen where I'm gone
Far away you'll hear me singing softly to the dawn
Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky
Rivers belong where they can ramble
Eagles belong where they can fly
I've got to be where my spirit can run free
Gotta find my corner of the sky
