

Sanity (The Insane Mix;2007 Digital Remaster)

Killing Joke

All across the scenes the statues crumble, woah
We cherished the seconds, counted the days
And people move with lines across their faces, woah
Embracing each other with a smile
For sanity's sake, sanity's sake, sanity's sake, yeah
For sanity's sake, sanity's sake, sanity's sake, yeah
We'll remember distant times and places, woah
We'll remember summer sun that yields
Shed our bodies heart and soul for love's sake, woah
Civilizations wax and wane.
Innocence will fade away like autumn, woah
Likewise the dream of youth, the task
And we shall be at peace upon our parting, woah
With the thoughts of loved ones in our hearts
For sanity's sake, sanity's sake, sanity's sake, yeah
For sanity's sake, sanity's sake, sanity's sake, yeah
So let the sunrise light up the distant shores
And we'll remember last days of Rome again.
