

# Shining Heart

## Laurentiu Duta

Andreea Banica:

Come with me, come with me, Iâ€™m your angel  
Every day, every night, in my shining heart  
Come with me, come with me, Iâ€™m your angel  
Baby love, without you, Iâ€™m a falling star  
Falling star, Iâ€™m a falling star

Shining heart, Iâ€™m a falling star  
Shining heartâ€!

Laurentiu Duta:

Iâ€™m in love with you I wanna stay  
You and me together on and on  
I can feel inside me day by day  
Look into my eyes you make me strong  
With your loveâ€!

Andreea Banica:

Come with me, come with me, Iâ€™m your angel  
Every day, every night, in my shining heart  
Come with me, come with me, Iâ€™m your angel  
Baby love, without you, Iâ€™m a falling star  
Shining heart, Iâ€™m a falling star  
Shining heartâ€!
