

Crying Out for You

Haley Dreis

I look to you through my eyes
And I feel your touch at my side
But I turn away when I know you're there
A chosen faith I take with me as I'm...

Chorus:

Crying out for you
And no one else can hear my call for you
Waiting out for you
And you know that you really want me too

I wait alone in the darkness as it
Calls my name and I want to answer and say
"No, don't take me with you,
I need the one I love."
And I see the one I once loved as I'm...

[Chorus]

Bridge:

Here, where we will not be alone
And can hold each other close
It's a shame we cannot live our lives this way
I must turn away
Yeah, yeah, yeah

[Chorus]

Crying out for you
I pray I need you faith will guide me
Waiting out for you
I need you don't you turn away from me

Crying out for you
May your life be filled with grace
Waiting out for you
And I know that you really want me too
