

People = Shit (Live At Download Festival 2009)

Slipknot

Come on Here we go again, motherfucker Yeah Come on down, and see the idiot right here
Too fucked to beg and not afraid to care
What's the matter with calamity anyway?
Right? Get the fuck out of my face
Understand that I can't feel anything
It isn't like I want to sift through the decay
I feel like a wound, like I got a fucking
Gun against my head, you live when I'm dead One more time, motherfucker Everybody hates me now, so fuck it
Blood's on my face and my hands, and I don't know why
I'm not afraid to cry, but that's none of your business
Whose life is it? Get it, see it, feel it, eat it
Spin it around so I can spit in its face
I want to leave without a trace
Cause I don't wanna die in this place People equal shit
People equal shit
People equal shit
People equal shit
People equal shit
(Whatcha gonna do?)
People equal shit
(Cause I am not afraid of you)
People equal shit
(I'm everything you'll never be)
People equal shit
Yeah Yeah Come on It never stops
You can't be everything to everyone
Contagion, I'm sitting at the side of Satan
What do you want from me?
They never told me the failure I was meant to be
Now, over do it; don't tell me you blew it
Stop your bitching and fight your way through it
I'm - Not - Like - You - I - Just - Fuck - Up
Hear me motherfucker everybody needs to die
Hear me motherfucker everybody needs to die People equal shit People equal shit
People equal shit
People equal shit
People equal shit
People equal shit
(Yeah)

People equal shit
(Yeah)
People equal shit
(Yeah)
People equal shit
(Oh)
People equal shit
People equal shit
People equal shit
People equal shit
People equal shit
(Whatcha gonna do?)
People equal shit
(Cause I'm not afraid of you)
People equal shit
(I'm everything you'll never be)
People equal shit
Yeah!Got that? Right
