

# Blue Moon

## The Mavericks

Blue moon

Without a love of my own Blue moon, is some standing alone?

Without a dream in my heart

Without a love of my own Blue moon, you're just what I was there for

You heard me saying a prayer for

Someone I really could care for Without a love of my own Blue moon, you saw me standing alone

Without a dream in my heart

Without a love of my own Without a love of my own

Blue moon

Without a love of my own La luna Esta en el cielo

Con todas las estrellas

Riendo muy remenante? Without a love of my own

Without a love of my own
