

When I'm Back On My Feet Again

Michael Bolton

Gonna break these chains around me
Gonna learn to fly again
May be hard, may be hard but I'll do it
When I'm back on my feet again Soon these tears will all be dryin'
Soon these eyes will see the sun
Might take time, might take time but I'll see it
When I'm back on my feet again When I'm back on my feet again
I'll walk proud down this street again
And they'll all look at me again
And they'll see that I'm strong Oh, gonna hear the children laughing
Gonna hear the voices sing
Won't be long, won't be long till I hear them
When I'm back on my feet again I'm gonna feel the sweet light of heaven
Shinin' down it's light on me
One sweet day, one sweet day I will feel it
When I'm back on my feet again When I'm back on my feet again
I'll walk proud down this street again
And they'll all look at me again
And they'll see that I'm strong, oh And I'm not gonna crawl again
I will learn to stand tall again
No I'm not gonna fall again
'Cos I'll learn to be strong Soon these tears will all be dryin'
Soon these eyes will see the sun
Won't be long, won't be long till I see it
When I'm back on my feet again
When I'm back on my feet again
I'll be back on my feet again
