

# She Did It

## Eric Carmen

I set to sea on a ship called Emptiness  
Cast away on the island of Loneliness  
Lookin' for love  
Oh, and I was lookin' for love You know I, I didn't think she could hear my SOS  
But she appeared like an angel of tenderness  
Sent from above  
Oh, she was bringing me love Oh, mama, she did it  
Mama, she did it, yeah  
Oh, she did it  
Mama, she did it, yeah Looking back, making love was meaningless  
Till she touched me with her warmth  
And a gentleness I'd never known  
Oh, and she was guiding me home Now I, now I see all the things in life I missed  
Till she opened up my eyes to the limitless  
Wonder of love  
Oh, and now I'm ready for love Oh, mama, she did it  
Mama, she did it, yeah  
Oh, she did it  
Mama, she did it, yeah I never knew what love was about  
Till she came and stole away my heart  
Now I'm alive and I know it  
And all I ever wanna do is show it, oh, oh yeah Oh, mama she, mama she, she did it  
Mama, she did it, yeah  
Oh, she did it  
Mama, she did it, yeah Oh, she did it  
Mama, she did it, yeah  
Oh, she did it  
Mama, she did it, yeah Oh, she did it  
Mama, she did it, yeah  
Oh, she did it  
Mama, she did it, yeah Oh, she did it
