Attero Dominatus

Sabaton

Attero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallenWe stand at the gates of Berlin
With two and a half million men
With six thousand tanks in our ranks
Use them as battering ramsArtillery leading our way
A million grenades has been launched
The nazis must pay for their crimes
The wings of the eagle's been brokenMarshall Zhukov's orders:
Serve me Berlin on a plate!
Disregard the losses
The city is ours to takeAttero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallenThe price of a war must be paid
Millions of lives have been lost
The price must be paid by the men
That started the war in the thirtiesThe spring of the year 45'
The year when the nazis will fall
We're inside the gates of Berlin
The beak of the eagle's been brokenComrade Stalins orders:
Serve me it's head on a plate
Disregard the losses
The eagle's land is ours to takeAttero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallenMarch!
Fight!
Die!
In Berlin!
March!
Fight!

Conquer!
Berlin!Attero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallenAttero!
Dominatus!
Berlin is burning
Denique!
Interimo!
The reich has fallen
