A Quarter to Three (Single Mix)

Bill Wyman

I really want to run away with you
Forget about the heartache I'm going through.
I want to put the past behind me
Run through the park underneath the oak trees
Do you think we could drive
just you and me away from...
I don't want to be here any more.
I'm done watching her walk out the door.
Tonight.
Is the night, I asked for you.
Tonight.
Is the night, I asked for you.
She's got me so shadowed, the only place to turn is you.
I'll never take another step until I catch a glimpse of you.
Only you.
Tonight.
Is the night, I asked for you.
I really want to get away from here.
Her eyes are smiling, i just stare.
and leaves me thinking just if I can
walk away and never look again.
Do you think we could drive
Just you and me away from...
I don't want to be here any more.
I'm done watching her walk out the door.
Tonight.
Is the night, I asked for you.
Tonight.
Is the night, I asked for you.
She's got me so shadowed, the only place to turn is you.
I'll never take another step until I catch a glimpse of you.
Only you.
Tonight.
Is the night, I asked for you.
Tonight.
Is the night, I asked for you.
