

After Midnight

Travie McCoy

Advisory - the following lyrics contain explicit language:

Hey, hey
After midnight, we're out of control
(We're out of control)
(We're out of control)
(We're out of control)
Oh, let's go 'Cause after midnight, we let out the dogs
(We're out of control)
(We're out of control)
(We're out of control)
Yeah, let's go The rock and roller awesome sort of freak show
We're gonna board them up and bleed the sore and just let it go
So when the clock strikes midnight, everyone lose control
And let the freaks come out tonight The shitty nine to five
(Man, I hate this job)
Is gonna be the end of me
(Is gonna be the end of me) And since when did time
(And since when did time)
Become my biggest enemy?
(Become my biggest enemy?) I don't think this clock's standing so close to me
(So close, so close, you too close, too close)
'Cause at 11:59, I can feel it in my spine takin' over me
(I, I feel it, I feel it takin' over) Hey, hey
After midnight, we're out of control
(We're out of control)
(We're out of control)
(We're out of control)
Oh, let's go 'Cause after midnight, we let out the dogs
(We're out of control)
(We're out of control)
(We're out of control)
Yeah, let's go The rock and roller awesome sort of freak show
We're gonna board them up and bleed the sore and just let it go

So when the clock strikes midnight, everyone lose control
And let the freaks come out tonightIt's midnight, it feels right, everybody's acting odder
If you're a freak, be proud of it, you got it from your mother
And I have rather good manners, I just choose not to employ them
It's about that time for you to embrace your flaws and enjoy themEverybody in the back, bring your ass up to
the front and

Never mind the fuss because we do what we want and
You feeling how I'm feeling, put your hands up to the ceiling
And say "We don't need no blocks, let them motherfuckers go"Hey, hey

After midnight, we're out of control

(We're out of control)

(We're out of control)

(We're out of control)

Oh, let's goCause after midnight, we let out the dogs

(We're out of control)

(We're out of control)

(We're out of control)

Yeah, let's goThe rock and roller awesome sort of freak show

We're gonna board them up and bleed the sore and just let it go

So when the clock strikes midnight, everyone lose control

And let the freaks come out tonightI don't think this clock's standing so close to me

(So close, so close)

At 11:59, I can feel it in my spine takin' over me

(I, I feel it, I feel it takin' over)I don't think this clock's standing so close to me

(So close, so close)

At 11:59, I can feel it in my spine takin' over meHey, hey

After midnight, we're out of control

(We're out of control)

(We're out of control)

Oh, let's goCause after midnight, we let out the dogs

And let the freaks come out tonightAnd let the freaks come out tonight

And let the freaks come out tonightAfter midnight, we're out of control

(We're out of control)

(We're out of control)

(We're out of control)
