# One More for the Road

## Suzy Bogguss

Put those guitars in their cases
Put those cases on the truck
Drive that truck on to Memphis
Tune those guitars back upWhat we really love is playin'
Rollin' never slowin' down
But tonight I feel like stayin'
I kind of like this little townAnd I'm not ready to pack it up yet
If you don't have to go
Let's make this a night we'll never forget
There's time for one more one more for the roadTonight the lights feel like heaven
Makes me want to give it all I got
That's what I do for a livin'
Am I lucky or whatAnd I'm not ready to pack it up yet
If you don't have to go
Let's make this a night we'll never forget
There's time for one more one more for the roadWhat we really love is playin'
Rollin' never slowin' down
But tonight I feel like stayin'
I kind of like this little townAnd I'm not ready to pack it up yet
If you don't have to go
I'd like to stay here and pick one with Chet
There's time for one more, one more for the road
