

Heart Vacancy (DJs from Mars Remix)

The Wanted

I hear your heart cry for love,
But you won't let me make it right
You were hurt, but I decided,
That you were worth the fight
Every night, you lock up,
You won't let me come inside
But the look in your eyes,
As I can turn the tide
In your heart, in your heart, in your heart,
I can tell you can fit one more
In your heart, in your heart, in your heart,
I don't care who was there before
I hear your heart cry for love,
Then you act like there's no room
Room for me, or anyone,
"Don't disturb" is all I see
Close the door, turn the key,
On everything that we could be
If loneliness would move out,
I'd fill the vacancy
In your heart, in your heart, in your heart,
In your heart, in your heart, in your heart
This ain't the Heartbreak Hotel,
Even though I know it well
Those no shows, they sure tell,
In the way you hold yourself
Don't you fret, should you get,
Another cancellation
Give me a chance I'd make a,
Permanent reservation
In your heart, in your heart, in your heart,
I can tell you can fit one more
Open up make a brand new start,
I don't care who's stayed before
I hear your heart cry for love,
Then you act like there's no room
Room for me, or anyone,
"Don't disturb" is all I see
Close the door, turn the key,
On everything that we could be
If loneliness would move out,
I'd fill the vacancy
In your heart, in your heart, in your heart,
In your heart, in your heart, in your heart
When I, talk to you, on the phone,

Listen close I hear your heart cry for love,
Then you act like there's no room
Room for me, or anyone,
"Don't disturb" is all I see
Close the door, turn the key,
On everything that we could be
If loneliness would move out,
I'd fill the vacancy
In your heart, in your heart, in your heart,
In your heart, in your heart, in your heart
