

# Stare at the Sun

## Thrice

I sit here clutching useless lists  
And keys for doors that don't exist  
I crack my teeth on pearls I tear into the history  
Show me what it means to me in this world  
Yeah, in this world 'Cause I am due for a miracle  
I'm waiting for a sign  
And I'll stare straight into the sun  
And I won't close my eyes  
Till I understand or go blind I see the parts but not the whole  
I study saints and scholars both  
No perfect plan unfurls Do I trust my heart or just my mind  
Why is truth so hard to find in this world  
Yeah, in this world 'Cause I am due for a miracle  
I'm waiting for a sign  
And I'll stare straight into the sun  
And I won't close my eyes  
Till I understand or go blind I know that there's a point I've missed  
A shrine or stone I haven't kissed  
A scar that never graced my wrist  
A mirror that hasn't met my fist  
But I can't help feeling like I'm Feeling like I'm due for a miracle  
I'm waiting for a sign  
I'll stare straight into the sun  
And I won't close my eyes And I'm due for a miracle  
I'm waiting for a sign  
And I'll stare straight into the sun  
And I won't close my eyes
