Halloween

Be More Chill Ensemble (Original Cast)

Brooke: Picked out a costume for tonight
Made sure to get a size that was a lot too tight
You can kinda see my business, but I'll act like I don't know
Woah
Jake: I got a condom
Chloe: And a flask
Rich: I stole my older brother's Jason mask
And I don't have a machete, but a loaf of bread will do
All: Ooh
Jake: (spoken) Who's ready for my Halloween party?
(sung) Everybody's got a red solo cup
Fill it up, fill it up
Hear the beer spill on the ground
Jake, Brooke: Everybody's all like "sup?"
Jake, Brooke, Rich: "Yo man sup?"
Jake, Brooke: Let's catch up, let's smoke up
Jake, Brooke, Chloe: Look how many drinks I've got
Jake, Brooke, Chloe, Rich: Every single song's all like whoop
They're all whoop
We're like yup
Turn it up
As they stumble to the sound
All: 'Cause a Halloween party's a bad excuse
To put your body through mad abuse
And I might pass out, but it's alright
'Cause I'm Halloween partying hard tonight
Woo! It's Halloween Woo! It's Halloween!
(spoken) Brooke: Jeremy! I was afraid you weren't coming. Did you get my mesaages?
Squip: Play it off.
Jake: Am I late? Didn't even realize.
Brooke: Ooh, what do you think of my costume? I figured, you always see sexy cats but no one ever goes as a sexy dog.
Jake: Oh, it's...
Squip: Vague compliment.
Jake: Original.[Silence]I mean, amazing. Seriously, I can't believe I'm with a girl that looks like you.
Brooke: You need a drink.
(sung) All: Crank that base, it's Halloween!
Break a vase, it's Halloween!
Jello shots, it's Halloween!

Liver spots from halloween!
Everybody's got a red solo cup, fill it up, fill it up, hear the beer spill on the ground
