

# Movin'

Gregory Porter

I feel just like a kite  
But one without a string  
One that is floating around  
I don't know what tomorrow will bring  
I feel just like a bird  
But one without a home  
One that is floating  
Full of endless oceans empty horizons no rest in sight  
What does it mean when you say you want to be free  
Free to sing, free to dance, free to let someone take a glance, in a world that's free of me  
Then you say, then you say, you're moving on  
Then you say, I've got other plans (Oh girl no)  
You movin' in the wrong direction, moving in the wrong direction (yeah)  
Movin' in the wrong direction, so far away from me  
You're moving in the wrong direction, moving in the wrong direction (yeah)  
Moving in the wrong direction, so far away from me  
Then you say, you're moving on  
Then you say, you've got other plans (oh girl)  
You're moving in the wrong direction, movin in the wrong direction  
Lady you're moving in the wrong direction, so far away from me  
I wish my momma was here a strong, strong steady love  
She would know what to do, what to say, how to pray  
To make things better  
What does it mean, when you say you want to be free  
Free sing, free to dance, free to let someone take a glance  
In a world that's free of me  
You're movin' in the wrong direction, moving in the wrong direction  
And you're moving in the wrong direction so far away from me  
Girl you're movin', well you're movin', well you're movin', well you're moving away  
So far away, so far away from me (Oh)  
Well your moving (x8) ooh  
Far away from me
