Nothing Yet

Jeff Bridges

I don't cross the path as much anymore
It's not the same as it was before
Well, I'd like to think that I did my best
But I had to learn like all the rest
Until you seen it all, you ain't seen nothing yet
I know no streams are gonna stay ahead rain
I don't pretend it much matters anyway
But in all my days I never thought
That I'll ever have to hitch my beds
I just double down and let it ride
But I ain't seen nothing yet
These days the world
Don't seem to amount to much
But there's a lot more here
Than what we seen in text
It's just the realm of the senses, it's all we know
Everything I've learned came hot in snow
And if it's as bad or as good as it can get
Well, you ain't seen nothing yet
We'd all like to think that we gave our best
But you'll have to learn like all the rest
Until you seen it all, you ain't seen nothing yet
We'd all like to think that we gave our best
But you'll have to learn like all the rest
Until you seen it all, you ain't seen nothing yet
You ain't seen nothing yet
No, you ain't seen nothing yet
