

# Bimbo

## Jim Reeves

Bimbo, Bimbo  
Where you going to go e oh  
Bimbo, Bimbo  
What you going to do e oh  
Bimbo, Bimbo  
Does your mommy know  
That your going down the road  
To see a little girly oh Bimbo, is a little boy  
Who's got a million friends  
And every time he passes by  
They all invite him in  
He'll clap his hands  
And sing and dance  
And talk his baby talk  
With a hole in his pants  
And his knees stick out  
He's just big enough to walk Bimbo, Bimbo  
Where you going to go e oh  
Bimbo, Bimbo  
What you going to do e oh  
Bimbo, Bimbo  
Does your mommy know  
That your going down the road  
To see a little girly oh Bimbo got two big blue eyes  
Hat light up like a star  
And the way to light them up  
Is to buy him candy bars  
Cracker jack and bubble gum  
Will start his day off right  
All the girlies follow him  
Just to beg him for a bite Bimbo, Bimbo  
Candy on your face e oh  
Bimbo, Bimbo  
Chewing on your gummy e oh  
Bimbo, Bimbo  
When you going to grow  
Everybody loves you little baby bim B O You never catch him sitting still  
He's just the roving kind  
All though he just a little boy

He's got a grown up mind  
He's always got a shaggy dog  
A pulling at his clothes  
And everybody calls to him  
As down the street he goes Bimbo, Bimbo  
Where you going to go e oh  
Bimbo, Bimbo  
What you going to do e oh  
Bimbo, Bimbo  
Does your mommy know  
That your going down the road  
To see a little girly oh  
Bimbo, Bimbo  
Bimbo, Bimbo  
Bimbo, Bimbo
