

Teacher

Jethro Tull

Well, the dawn was coming
Heard him ringing on my bell
He said, "My name's the teacher
That is what I call myself""And I have a lesson
That I must impart to you
It's an old expression
But I must insist it's true"Jump up, look around, find yourself some fun
No sense in sitting there, hating everyone
No man's an island and his castle isn't home
The nest is for nothing when the bird has flownSo I took a journey
Threw my world into the sea
With me went the teacher
Who found fun instead of meHey man, what's the plan, what was that you said?
Sun-tanned, drink in hand, lying there in bed
I try to socialize but I can't seem to find
What I was looking for, got something on my mindThen the teacher told me
It had been a lot of fun
Thanked me for his ticket
And all that I had doneHey man, what's the plan, what was that you said?
Sun-tanned, drink in hand, lying there in bed
I try to socialize but I can't seem to find
What I was looking for, got something on my mind
