Teacher

Jethro Tull

Well, the dawn was coming Heard him ringing on my bell He said, "My name's the teacher That is what I call myself""And I have a lesson That I must impart to you It's an old expression But I must insist it's true "Jump up, look around, find yourself some fun No sense in sitting there, hating everyone No man's an island and his castle isn't home The nest is for nothing when the bird has flownSo I took a journey Threw my world into the sea With me went the teacher Who found fun instead of meHey man, what's the plan, what was that you said? Sun-tanned, drink in hand, lying there in bed

I try to socialize but I can't seem to find What I was looking for, got something on my mindThen the teacher told me It had been a lot of fun

Thanked me for his ticket

And all that I had done Hey man, what's the plan, what was that you said? Sun-tanned, drink in hand, lying there in bed I try to socialize but I can't seem to find

What I was looking for, got something on my mind
