

Three Days

Dream Theater

The admiration
The applause
And the cheers
I am impressed
You brought us all to tears To think I didn't notice
The way you looked at her
Now step down from your throne
And let me bring you back to the earth Need I remind you
I am the ruler here
Don't overlook that fact
Swearing allegiance
To anyone but me
No, I won't put up with that Hide and protected, send him away
I'll never play this game
Stand by your savior, one thing remains
I'll find him just the same Brace yourself
Bow down to Nafaryus
Pray for help
Kneel before Nafaryus He'll surrender on his own
If not, there'll be hell to pay
I'll tear down the city stone by stone
You only have three days Send home the rebels, call off the fight
In no uncertain terms
Should you refuse me, fear for your lives
Ravenskill shall burn Brace yourself
Bow down to Nafaryus
Pray for help
Kneel before Nafaryus With this frightening decree
Nafaryus departs
They're left to weigh the gravity
Of his threatening remarks Judgement day will soon arrive
In only three days' time
Will Gabriel get out of this alive?
This remains the question on their minds
