

Wimbledon

Rich White Ladies

Ooh, ahh-ooh, ahh-ooh, ahh-ooh You are so bull-bullshit
We are so Wimbledon
You are so bull-bullshit
We are so Wimbledon
B-b-b-bullshit
Wimble-ble-ble-bledon
B-b-b-bullshit
Wimble-ble-ble-bledon
You can have racket
I serve the bad bitch
Take a couple notches down
Take it to the grass, bitch
Keep it classy, wishing when I hit it with precision
Bang it, bang it [?]
Never watching this collision
All the pitches in the thirties
Team to the thirties
Throwin' shade cause I'm paid, laid and I'm curvy
Like Venus and Serena
Super cocky with demeanor
Keep it dirty but I'm cleaner
Keep it purple, keep it greener
Like I'm a Billie-Billie Jean King, ho
Tell me how you wanna ride a backhand, ho
Keep the rim scorin', add it up now ho
I bring fire to the match, bitch, this my show, blow
You are so bull-bullshit
We are so Wimbledon
You are so bull-bullshit
We are so Wimbledon
B-b-b-bullshit
Wimble-ble-ble-bledon
B-b-b-bullshit
Wimble-ble-ble-bledon Do it the right way
We don't play for fun
Do it the right way
We play like Wimbledon Servin' face while I'm servin' the ace
You get contact touched when I blow in your face
I got a killer trip, put my hand on my lips

I take a killer hit, couple shots and a sip
I keep class with a dash of the grass in my stash
Bitch, puff, puff, pass, then cum on that ass
I bring a racket, yes, in a different bracket
It ain't what you got, it's how you pack it
I'm bigger than the US Open, ho
Never fall enough, I see you hopin' though
I'm feelin' they jealous
Like I'm Monica Seles
But there's nothin' to tell us
We stick a [?] and they smell us
M-M-Monica Seles
Monica Seles Do it the right way
We don't play for fun
Do it the right way
We play like Wimbledon You are so bull-bullshit
We are so Wimbledon
