Cure for Pain (live)

Morphine

Where is the ritual
And tell me where where is the taste
Where is the sacrifice
And tell me where where is the faithSomeday there'll be a cure for pain
That's the day I throw my drugs away
When they find a cure for pain
Where is the caveWhere the wise woman went
And tell me where
Where's all that money that I spent
I propose a toast to my self controlYou see it crawling helpless on the floor
Someday there'll be a cure for pain
That's the day I throw my drugs away
When they find a cure for pain
