Falling

When Karma Was King

Here we go again
My clumsy tough, your awkward stance
Pacing back and forth
Iâ€™m not sure what Iâ€™m gonna do next
I see you here with him
You told me youâ€™d stayed home again
I could stay and cause a scene or I could just leave
But either way this is the end

Chorus:
Youâ€™re standing right in front of me
But I canâ€™t see you at all
Youâ€™re pushing me away
A little further everyday
But when I hear you call
The right and the wrong donâ€™t matter at all
Cause Iâ€™m falling

The pattern will repeat
We go round in circles
Makes me crazy
I tell myself itâ€™s the last thing that I need
But then you look at me
Here we go again
