Frightened

Artwork

Viewing lights under the surface knowing I'm found
Can't run away from, can't make it undone
While reaching out for anything, screaming without a sound
How did I find you? How was I supposed to try?
I'm frightened by the love that's in you
But it's alright
Oh and I'm frightened by the love that's in me
But I know, it's alright, it's alright
The only one who understands, the only one who gave me
Something to belong to, with nothing left to undo
With you, every thing's beautiful and I'm not scared to be
Falling into unknown, with you I find the strength to carry on
I'm frightened by the love that's in you
But it's alright
Oh and I'm frightened by the love that's in me
But I know, it's alright, it's alright
It's alright, it's alright
And I'm frightened by the love that's in you
But it's alright
Oh and I'm, I'm frightened by the love that's in me
But I know, it's alright, it's alright
It's alright, it's alright
It's alright, it's alright
