No Real Reason

White Denim

. Then Id be crazy not to try
If they ever come looking for me
I will be waiting patiently inside
Pacing the flow of the nice bugs
And steadily hearing the old talk
Waiting for the band to come!I got no real reason for my loneliness
I got no real reason for my loneliness
I got no real reason for my lonelinessThat I be crazy to decide
If they will come looking for me
I will be waiting patiently inside.
Maybe someone else can get it all right
By your silent new year
I got no real reason for my loneliness
I got no real reason for my loneliness
I got no real reason for my loneliness
