

Take it Down

Mia Schoen

Take everything that we have
Take it and burn it to the ground
Some things were never meant to last
 Take it down, down, down
Take it down, take it down, down, down
 Take it down
 I'm still married to it all
 That ain't no place to hang around
 My love is 50 feet tall
 Take it down, down, down
Take it down, take it down, down, down
 Take it down
 I've grown accustomed to the way
 You hurled us into space
 I'll never make that trip
 Tears all rusted on my face
 And I'm just an empty place
 Where your love used to fit
 South Carolina where are you
 We were once lost and now we're found
 The war is over, the battle's through
 Take it down, down, down
 Take it down, take it down, down, down
 Take it down
 Take it down, down, down
 Take it down, take it down, down, down
 Take it down
