You Got Me Hummin'

Sam & Dave

I don't know what you got
But it's gettin' to me
It makes my cold nights hot
Hot winds just blow right through meOh, power
Lady, it's in your hands'Cause you got me hummin' now
You got me hummin' nowI wake up early at night
I can't go back to sleep now
Even walk in the red lights
Tired of talking, I try to sleepLook here if I try to walk
That's when my feet start a runnin"Cause you got me hummin' now
You got me hummin' nowI don't know what you got
But it's gettin' to me
It makes my cold nights hot
Hot winds just blow right through meLook here if I try to walk
That's when my feet start a runnin"Cause you got me hummin' now
'Cause you got me hummin' now
You got me hummin' nowYou got me hummin', oh
You got me hummin', oh yeah
You got me hummin', oh
