

Every Night I Say a Prayer (Tensnake Remix)

Little Boots

Love is darkness blinded by the light
Let it lead you, listen for the cry
I will find you, every time I turn you're there
(You're there) I have seen into the future
I want you to take me there
I have seen into the future
Every night I say a prayer
Every night I say a prayer Hoping for forgiveness
We all make mistakes
I wanna walk beside you
I've gotta keep the faith Now that I found you
Never gonna let you go I have seen into the future
I want you to take me there
I have seen into the future
Every night I say a prayer
Every night I say a prayer Oh, oh
Every night I say a prayer
Every night I say a prayer Oh, oh
Every night I say a prayer
Every night I say a prayer I know where we're going
I know where we're going I have seen into the future
I want you to take me there
I have seen into the future
Every night I say a prayer
Every night I say a prayer Oh, oh
Every night I say a prayer
Every night I say a prayer Oh, oh
Every night I say a prayer
Every night I say a prayer Oh, oh,
I want you to take me there
I know where we're going Oh, oh,
I want you to take me there
I know where we're going
