

# Something Good (Is Going to Happen to You)

Carla Thomas

Yes, it is, honey  
Something good's gonna happen to you  
Well, all right now

I lost all faith in man  
But you took by my hand  
Said that I looked just for you  
We're gonna prove that  
You're really true now

Something (something)  
Good's gonna happen to you  
Yes, it is now  
Something (something)  
Good's gonna happen to you  
Well, all right

I didn't give in fast  
That kind of love never lasts  
Then at night, you had no rest  
Makes me know that you  
Passed the test now

Something (something)  
Oh, good's gonna happen to you

Oh, oh, oh, yeah  
I'm gonna love you right  
Morning, noon and night  
Love you when you call  
'Cause you deserve it all

Oh, that's why  
Something (something)  
Oh, good's gonna happen to you  
Yes, it is  
Something (something)  
Good's gonna happen to you  
I'm gonna make it

Oh, oh, oh, yeah, ooh  
Something good's gonna happen to you  
Something good's gonna happen to you

I'm gonna make it happen  
I got to make it happen  
So sweet, you're so nice  
So good, that's why
