Let Me Carry You

Agnes

Hush said the angel
Don't be lonely anymore
I'm here right beside you
Like so many times before
Time and again
I'm here to fill your heart
Tonighy I'm gonna show you
We're never far apartJust like before
When you don't wanna walk anymoreLet me carry you
Let me be the one
Oh, let me carry you
Let me be the one
Let me care for you
I can heal the pain until it's gone
Let me carry you, so you can carry onHush said the angel
You can tell em like it is
'Cause I'm not here to judge you
All I offer you is this
Time and again
I've been here to fill your dreams
Tonight I'm gonna show you
Love is closer than it seemsLet me carry you
Let me be the one
Oh, let me carry you
Let me be the one
Let me care for you
I can heal the pain until it's gone
Let me carry you, so you can carry onWhen you feel like holding me
I'll be there for sure, for sureLet me carry you
Let me be the one
Oh, let me carry you
Let me be the one
Let me care for you
I can heal the pain until it's gone
Let me carry you, so you can carry on
