

# Wrong Number

Timothy B. Schmit

(T. B. Schmit/M. Towers/S. Strong) You're telling me this  
Telling me that I'm oughta hand  
Well maybe it's this  
Maybe it's that you don't understand  
Keep on talking to me  
You're loud as thunder  
I don't matter baby  
"cause I think you got the wrong, wrong number You know I talk in my sleep  
You got me worried and weak  
I can't take it  
"cause everytime that you shout  
Baby there ain't no doubt  
Got to shake it  
Why can't ya  
Why can't ya let it be  
It brings me under  
You live a fantasy  
Don't you think you got the wrong, wrong number I don't mean to sound too rough  
But you know better  
I've had enough  
My telephone rings and it's you on the line  
But my love's unlisted don't you waste my time You got the wrong number  
Baby check it and see  
Think you got the wrong number  
Instead of living in doubt  
Why don't you figure it out  
Why can't ya  
Why can't ya let it be  
It brings me under  
You live in a fantasy Don't you think you got the wrong number  
Baby check it and see  
Think you got the wrong number  
Instead of living in doubt  
Why don't you figure it out
