Mr. Metaphor

I love ya 'cause you're such a prickShut your mouth
My momma said
"Don't saddle me
With selfishness"Do you feel your tongue quivering?
It's moments like these I revel inYour conversation never sticks
'Cause no truth in you exists
Yeah, you bite before you lick
I love ya 'cause you're such a prickOne more time
Don't fashion me
With stylish words
Of ramblingsHoney, do you feel my pulse lingering?
It's moments like these I revel inYour conversation never sticks
'Cause no truth in you exists
Yeah, you bite before you lick
I love ya when you're such aIt's moments like these I revel inYour conversation never sticks
'Cause no truth in you exists
Yeah, you bite before you lick
I love ya 'cause you're such a prickYour conversation never sticks
'Cause no truth in you exists
Yeah, you bite before you lick
I love ya 'cause you're such a prick
