

Music Is My Radar

Blur

You really got me seeing you
Really got me done y'all
Music is my radar
Really topped my joy y'all Really topped my radio
Really got me done y'all
Dealing I'll be seeing you
Really got my beats now, on my ear now...Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Really got me changing from my bill from job
Into a new life, oh you really got
Really got me singing elsewhere, oh my girl
Really got me dancin', dancin' in my head now baby Tony Allen dancing
Tony Allen dancing
Tony Allen gets what a boy can do
Really got me dancin'
He really got me dancin'
But I don't give my soul
All ya'll need and yeah don't give a soul
You really got me driftin'
You really got me dancin'
You really got me dancin' in my head Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now
Aah don't stop me now Aah don't stop me now (You really got me dancin')
Aah don't stop me now (You really got me dancin')
Aah don't stop me now (You really got me dancin')
