Crave

The Young Electric

Crave, crave Crave, crave Alright The simple life, I will not have It doesn't satisfy me I don't believe in the status quo I kinda leaves me bleak A mountain high is what I climb I swim a river deep So if you crave the time of your life Try to keep up with me, hey I'm gonna live, I'm gonna fly I'm gonna soar, till the day I die On the wings of a bird of prey Hey, hey, hey You're absolutely what I crave You better believe thats a smile on my face You know it don't come cheap Sure I've lived the American Dream Go ahead and crucify me, yeah I'm gonna live, I'm gonna fly I'm gonna soar, 'till the day I die On the wings of a bird of prey Hey, hey, hey You're absolutely what I crave, crave I'm gonna live, I'm gonna fly I'm gonna soar till the day I die On the wings of a bird of prey Hey, hey, hey I'm gonna live (I'm gonna live) I'm gonna fly (I'll fly) I'm gonna soar till the day I die (On the wings) On the wings of a bird of prey (Hey) Hey, hey, hey

You're absolutely what I crave

Crave, crave, crave Crave, crave, crave
