

Fizzo Got Flow

B2K

One, two, three, four
Fizzo came through and I'm blazin' out the door
Hold five to six hoes causin' frenzies round the globe
And my belly stay froze 'cuz my chain hang low
Now I'm gettin' paid every single day
Wit my niggas, my niggas Chris and J
Now it's best you move out my way
'Cuz ya'll been havin' bad days ever since I took place Who's with fast names casin' 'um wit a race
Don't try to spit dog if you can't make a hit
Don't try to make her shake if she don't move like a snake
Throw it on her like a Champion, bouncin' like a tramp-line
I'm telling you sweet thing, they think I'm mean
It's only right that we get this green
Start the game is open, I'm takin' it like I-V
Rappers boy, I have a place like Kobe Fizzo Got Flow
The Fizzo Got Flow, what?
Fizzo Got Flow
The Fizzo Got Flow, c'mon
Fizzo Got Flow
The Fizzo Got Flow
You think you know but you have no idea The Fizzo Got Flow
The Fizzo Got Flow, what?
Fizzo Got Flow
The Fizzo Got Flow, c'mon
Fizzo Got Flow
The Fizzo Got Flow
You think you know but you have no idea I came through this game abrupt, ya'll said, " Who's him?"
Slim wit the tilted brim on Prada Blue Timbz
It wasn't long 'for I filled my chain wit gems
Turned linen into Benz, bought a E Class Benz
Now ya'll wanna say how he speak so fluent
How he keep the crowds movin', I hope he's neva truin'
Do I hafta say that I'm betta than ya'll
When your album can't compare to my sixteen balls Ya'll got me confused, I don't kick it wit nerds
I'm a grown man, ya'll kids like big bird
Look dog, man, I don't think you heard
Hit um up, spit um up, get um up, word. Fizzo Got Flow
The Fizzo Got Flow, what?
