

Conspiracy Theory (Live at the Wiltern)

Nick Jonas & the Administration

Yeah, oh Conspiracy theory
Better keep it down
Cause the walls are thin
And the word is out, now Like it or leave it
Don't make sound
Cause the walls are thin
And the word is out, now Better that you didn't know
Better that they didn't choke
That's right Why do we need to live in fear
Knowing that threats are real
This time Conspiracy theory
Gonna make you shake
Don't hit the brake
No time to waste, now Like it or leave it
Better hit the road
Cause the road that we know is gonna fade away, now Better that you didn't know
Better that they didn't choke
That's right Why do we need to live in fear
Knowing that threats are real
This time Conspiracy theory babe
Conspiracy theory babe
Oh
Yeah oh oh oo oo Conspiracy theory
Better keep it down
Cause the walls are thin
And the word is out, now Like it or leave it
Don't make sound
Cause the walls are thin
And the word is out, now Better that you didn't know
Better that they didn't choke
Why we need to live in fear
Knowing that threats are real
This time Yeah
Na na na na na
Na na na na na
Na na na na na
Na na na na na
Na na na na na
