Here It Comes Again  
Written by Paul Cassanova  
Performed by Please  
Here it comes again  
What's flying in the sky  
Here it comes again  
With a passing grin  
I'd love to have a try  
Here it comes again I know why it had to be this way  
If I had to choose a way to go  
It might not have worked out fine  
If I dine on a banquet laced with lies  
I'd just assume a label  
Dipped in lead while soaked in wine Here it comes again  
The space between the minds  
Here it comes again  
(Here it comes again)  
Here it comes again  
What's looming in my mind  
Here it comes again  
(Here it comes again) I know why it had to be this way  
If you asked me for a label  
I would graciously resist  
If I dine on a banquet laced with lies  
I would just assume a label  
Dipped in lead while soaked in wine Here it comes again  
Thread the needle through the eye  
Here it comes again  
(Here it comes again)  
Here it comes again  
Know the critic and the spy  
Here it comes again  
(Here it comes again) It makes no difference  
Your washed-out eyes  
Contagious wreckage  
Was in my mind... Here it comes again  
Here it comes again  
Here it comes again  
Here it comes again I know why  
I know why

I know why  
I know why
