Friends

Eliza And The Bear

I got friends, I got family hereThey say these kids are diseased
But we've got love to share
'Cause God knows where we've been
But not where we're going
And if the water is too deep to swim
Well we still swimBecause I got friends
I got family here
I've got friends
I got family hereI will sleep down on the beaches,
And you will swim
From shore to open shoreBecause I got friends
I got family here
I got friends
I got family hereAnd cut me down to firewood
And carve our names
And cut me down to firewood
And carve our namesOh, oh
Oh, oh
Oh, oh
Oh, ohI got friends, I got family here
