Three Bulleits

The Temperance Movement

I ain't saying more than you've been told
Got high on information bought and sold
I need a window where I won't get fooled againSo you wonder where the world has gone
A sad heart feeling on a setting sun
Get in line with the rest for your daily breadCrossed hearts and immoral lies
Genuflecting all the ones you despise
Three Bulleits in the morning sun
Dust clouds gonna cover everyoneI said hey hey
Come on come onI paid silver at the wailing wall
Received no answer but I heard you calling
There ain't never be a right when it's all so wrong
Crossed hearts and immoral lies
Genuflecting all the ones you despise
Three Bulleits in the morning sun
Dust clouds gonna cover everyoneI said hey hey
Come on come onIf it's all you know then it's all you get
Pretty vacant when I'm watching
Now a heavy soul need a time to dance
Pretty sacred when I'm searchingCrossed hearts and immoral lies
Genuflecting all the ones you despise
Three Bulleits in the morning sun
Dust clouds gonna cover everyoneI said hey hey
Come on come on
If it's all you know then it's all you get
Pretty vacant when I'm watching
Now a heavy soul need a time to dance
Pretty sacred when I'm searching
