Rotting Ways To Misery

Sentenced

Into the life after death
where all is said and done
where sanity is forgotten
where humanity is goneInto the abyss I fall
Arising Evil is all I see
I hear a blasphemic call
the Touch of Death is all I feelRotting Ways to Misery
the earth is burning under my feet"Sacrifice your soul for me
Against our common enemy... god"Behind the depths of dying
He is whipping my skin
This is the End... of liberty
I am in the fires of evilnessHell's gates were open for me
they were my destiny
anyone can be chosen
to be His slaveRotting Ways to Misery
are the chosen one's infernal destiny
