

I'm Not Alone (with Jenny Lynn Smith)

Calvin Harris

Can you stay up for the weekend
And blame God for looking too old
Can we find all that you stand for
Has been replaced with mountains of gold
You cannot dream yourself to notice
To feel pain and swallow fear
But can you stay up for the weekend
Till next year
God I can't do this any more
Though I'll be laid down on the floor
As many feet walk through the door
I'm not alone
If I see a light flashing
Could this mean that I'm coming home
If I see a man waving
Does this mean that I'm not alone
If I see a light flashing
Could this mean that I'm coming home
If I see a man waving
Does this mean that I'm not alone, no
If I see a light flashing
Could this mean that I'm coming home
If I see a man waving
Does this mean that I'm not alone, no
