I'm Your Man

Nick Cave

If you want a lover
I'll do anything you ask me to
And if you want another kind of love
I'll wear a mask for youAnd if you want a partner, take my hand
And if you want to strike me down in anger
Here I stand, I'm your manAnd if you want boxer
I will step into the ring for you
And if you want a doctor
I'll examine every inch of youAnd if you want a driver, climb inside
If you want to take me for a ride
You know you can 'cause I'm your manAh, the moon's too bright, the chain's too tight
The beast won't go to sleep
I've been running through these promises to you
That I made and could not keep
Ah, but a man never got a woman back
Not by begging on his kneesI've crawled to you, baby
And I fall at your feet
I've howled at your beauty
Like a dog in heatAnd I've called at your heart
And I tear at your sheet
I said please, 'cause I'm your manAnd if you got to sleep a moment on the road
I will steer for you
And if you want to work this street alone
I'll disappear for youAnd if you want a father for your child
Or only want to walk with me a while
'Cross the sands, well, I'm your manAh, the moon's too bright, the chain's too tight
The beast won't go to sleep
I've been running through these promises to you
That I made and could not keep
Ah, but a man never got a woman back
Not by begging on his kneesI've crawled to you, baby
And I fall at your feet
I've howled at your beauty
Like a dog in heatI've called at your heart
And I tear at your sheets
I said please, 'cause I'm your man, I'm your man
'Cause I'm your man
