Snake Eyes (feat. CoMa) [Original Mix]

Feint

Can't you see?
Everything
Is a mess
When you hide

All the lies

That you thought

You could buryYou kept rolling snake eyes

You kept rolling snake eyes

One too many times

One too many times

And all you see are the cards that you can play
And you thought you'd get away with these games
And all you see are the cards there in your hand
And you thought that you have everything plannedCan't you see?

Everything

Is a mess

When you hide

All the lies

That you thought

You could buryYou kept rolling snake eyes
And all you see are the cards that you can play
And you thought you'd get away with these games
And all you see are the cards there in your hand
And you thought that you have everything planned

You kept rolling snake eyes

One too many times
